email: [gil.morrot@divem.fr](mailto:gil.morrot@divem.fr)

Winegrower: Gil MORROT

Vines from Les Boissières, within the commune of Montpeyroux (Hérault, France).

Clay-limestone soil (glacial scree).

Grape varieties: Grenache 100%.

Vines planted in 1971.

Vines farmed without synthetic chemical products, using only organic products (although the domaine is still in conversion and not yet officially certified organic)

Vines are banked/debanked.

Yields: 15 hl/ha.

Hand-harvested, destemmed.

– Grapes crushed by foot.

– Pumped over daily.

– Fermentation stopped (the “mutage” process) using alcohol distilled from our own wine.

As this alcohol was made from wine that does not have the official Agriculture Biologique (organic wine) certification, CocoPiche cannot be labelled as organic or in conversion.

Bottled: July 2016

Not filtered or fined.

– Alcohol: 15.73 % vol.

– Residual sugar: 112.5 g/litre

– Total SO<sub>2</sub>: 29 mg/litre.

Packaging: Bordeaux-style bottle, 50 cl.

White boxes of 6, printed with "CocoPiche de DIVEM " logo
